Best Cough Cure.

Use of Diseases of the Throat and Lungs, as recently testified to by thousands, will find a certain remedy in Ayer's Cherry Pectoral, an unquestionable family medicine.

"I had used Ayer's Cherry Pectoral in my family for colds, coughs, and other ailments of the throat and lungs, with the best results."—Rev. A. Hewett, Mt. Healthy, O.

"I have used Ayer's Cherry Pectoral for bronchitis and Lung Disease, for which I believe it to be the greatest medicine in the world."—Joseph Bailey, Spencer, N. Y.

"My wife had a distressing cough, with failure in the pulse and tremor, and other symptoms of Lung Disease, that would not yield to any remedy I got in Canada, or to the prescriptions of physicians, until she commenced taking Ayer's Cherry Pectoral. She has now been restored to perfect health by the use of Ayer's Cherry Pectoral, and I recommend it to all who suffer from Lung Disease."—Noah Brown, Bloomfield, Ont.

"Ayer's Cherry Pectoral cured me of a severe cold, which had settled on my lungs. No one who has Consumption or Lung Disease should neglect to use this remedy."—Noah Clark, Mt. Auburn, Ohio.

ROYAL BAKING POWDER

ABSOLUTELY PURE.

Our quick raising, the Royal Baking Powder is superior to all other leavening agents. It is absolutely pure and wholesome and of the highest leavening power. It is always uniform in strength and quality and never fails to make light, sweet, delicious and nutritious food. Bread, biscuits, muffins, cake, etc., raised with Royal Baking Powder may be eaten hot without danger, rendering it the most delicate digestive agent. It will keep in any climate without deterioration.

Prof. R. A. Witt, U. S. Government Chemist, after examining officially the principal baking powders of the country, reported:

"The Royal Baking Powder is absolutely pure, for I have not found it in many cases made both for that company and the United States Government.

"Because of the fulfillment that company have for obtaining perfectly pure cream of tartar, and for other reasons dependent upon the proper proportions of the cream, and the method of its preparation, the Royal Baking Powder is undoubtedly the purest and most reliable baking powder offered to the public.

"Dr. ERNEST A. WITT, Ph. D.,
U. S. Government Chemist.

Fashionable Dress Goods

In order that a lady may feel well dressed and comfortable it is necessary she should wear a garment of fashionable material and color. The Paris fashions of this season are all in the direction of plain colored fabrics and new shades, of which there are about forty, soft tints of brown, blue, bronze, mahogany, and green. The Henrietta Cloth in its various weaves takes precedence of all others.

We offer today 200 pieces All Pure Wool Double-Fold Henriettas, 40 inches wide, at 39c per yard. These combine weight, durability, and fashion. We continue our great sale of 46-inch Henriettas at 49c and 46-inch Henriette Suedes at 59c—over 30 new shades in each.

These goods are sold in the daylight, in a bright, clean, attractive store, where customers can see what they are doing. There can be no misapprehension about the goods, and no disappointment when they get them home.

We want your trade and will make it your interest to deal with us.
